Campus Wide Activity Description to be hosted during the 2024-2025 academic year: Please provide a description of the anticipated program or activity. Include tentative dates, locations, number of participants, etc.

.....

By signing below, I attest that the anticipated costs outlined above were agreed by the club and approved by a designated faculty or staff advisor. The club has attached quotes or other examples of cost estimates for each of the associated costs listed. Additionally, the club understands that any amount requested from the Student

Government Association Account for the purposes of generating club revenue must be returned to the Business Office following the completion of the fundraising activity. I understand that my club/organization is responsible for hosting one student activity on campus as described above. In addition, I agree that a representative from my club/organization will attend the Student Government Association meeting to discuss the funding request and answer questions.
